

Quality Policy

At Syensqo Oil & Gas Solutions, customers are our reason for existence.

We will:

- Work with customers to identify and understand their needs and expectations.
- Provide products and services that fulfill agreed-upon customer requirements.
- Evaluate and communicate opportunities and risks associated with meeting approved customer, regulatory, and legal requirements.
- Commit appropriate resources and continuously improve our management systems and work processes, focusing on customer and stakeholder needs.

Matt Griscom

Global Industrial Director
